CLERK: Education Committee's bill, Mr. President.

PRESIDENT: Senator Lamb, are you moving to advance the
bill?

SENATOR LAMB: I'll move the bill be advanced.

PRESIDENT: All right. Now, Senator Nichol.

SENATOR NICHOL: Mr. President, members of the Legislature,
I would like to ask Senator Lamb what the bill says now that
it is amended. I'm afraid I don't quite understand it and
I'm sorry.

SENATOR LAMB: Senator Nichol, I believe it says thirty-five
students or 10% of the students or less. Thirty-five or less,
which ever is lesser, 10% or 35, which ever is the lesser
number.

PRESIDENT: Any further discussion? The question then is
the advancement of the bill. Record your vote. One more
vote, please. Senator DeCamp. Good fellow. Record.

CLERK: 25 ayes, 0 nays on the advancement, Mr. President.

PRESIDENT: 388.

CLERK: Mr. President, (Read title to LB 388). The bill
was first read on January 21, 1977. It was referred to the
Government, Military and Veterans Affairs Committee, Mr.
President. The bill was advanced to General File with
Committee amendments. The Committee amendments were adopted
on March 25, 1977. I now have a motion to indefinitely post-
pone LB 388, and that is offered by the introducer, Senator
Jo Ann Maxey.

PRESIDENT: Senator Rasmussen.

SENATOR RASMUSSEN: Mr. President, members of the body, I
think we could proceed with this. Senator Maxey has indi-
cated not only to me but to the rest of the Committee that
this bill is now not needed and beings it has come up I
would suggest that we proceed and go along with her wishes
and kill the bill.

PRESIDENT: So that's a motion to kill? Any further discus-
sion? Record your vote. Yes, sir. Record. See Barry, how
easy I am to get along with.

CLERK: 25 ayes, 0 nays to indefinitely postpone LB 388, Mr.
President.

PRESIDENT: The bill is indefinitely postponed. 293.

CLERK: Mr. President, LB 293. It's a bill...

PRESIDENT: Mills will want to be here for that, so let's
pass that one by. LB 159.

CLERK: Mr. President, LB 159 is a bill introduced by Senator
Goodrich. He has a motion to bracket the bill until March 11,
1978.

PRESIDENT: Is there an objection to the request? Seeing none,
it is so ordered.
